Huerta's Followers Fail to Arouse Any Enthusiasm in Their Would-be Demonstration Against Ameri-

cident occuring to justify the globmy ico. predictions that had been made.

The Mexican government kept its pledge that the occasion should not be taken by agitators to encourage the anti-American feeling here. The belief among the government's sup-porters here tonight is that General porters here tonight is that General Huerta has been rebuked by the Mexican populace of the better class for the demonstration falled to develop the enthusiasm that had been counsel for the Frawley committee at Saratoga. promised by the provisional presi-

As a manifestation of confidence Francisco I Madero after he had crushed Porfirio Diaz were completely lacking.

During the entire parade there was no evidence of anti-American feeling. It is believed that the leaders were warned that the relations between this country and the United States were too unsettled to permit outbreak at the present time, patches read late last night Lind had received no definite instructions, except to investigate carefully the situation in Mexico is believed to have lessened the wrath of the flery Mexicans, who had thought he was coming here to run.

These were the developments in the product of the scandal involving the governor's alleged misuse of part of his campaign funds in Wall street stock gambling.

The split in the committee was also prove the committee. Dis-

ing dispatch:

speculated in Wall street.

"Two government detectives have called at my house and put me under arrest. Must go to the department of gobernacion to answer charges. Don't know what charges are or whether this means '33' or not, but whether this means '34' or not, but whether the means '34' or not, but whether this mea believe I may be in for a heap of trouble.

By "33" Mr. Jennings meant clause 33 of the Mexican constitution which provides that an "undesirable foreigner" may be expelled from the coun-

The dispatches sent by the imprisset forth the situation in Mexico City and the republic, and it is believed that the Huerta government intends to censor all dispatches hereafter unless inspired

SULZER WILL FIGHT AGAINST REMOVAL

Albany, N. Y., Aug. 10.-Articles impeachment declaring Governor

at Saratoga. Governor Sulzer will exert every possible force in resisting removal, As a manifestation of confidence in encouragement for Huerta, the whole affair fell flat. The "vivas" statement tomorrow answering that marked the triumphal entry of Francisco I Madero after he had chief adviser, stayed at the executive mansion tonight.

The Frawley committee has split moved here from Kansas. The family on the advisability of bringing im-peachment proceedings. The mahere, who have become acquainted jority favors impeachment, and the committee report will carry that recommendation, but the minority advocates prosecution with no action

nificant the minority claiming that impeachment would fall because un-As one man describing today's der Sulzer's call for the special sesparade aptly put it, "if it had not been for the music the whole affair would have been taken for a funeral fore the Frawley committee is il-

The only unusual thing connected with the demonstration was that the marchers were not guarded by policemen. This is believed to be the statement denying absolutely that he legal. licemen. This is believed to be the statement denying absolutely that he first time in Mexican history that such precaution has been lacking.

Americans were sprinkled among the sightseers, but did not make themselves conspicuous in seeking the best place of vantage, as they had often in the past.

Correspondent in Jail.

New York, Aug. 10.—The Mexico City dispatch received from N. A. Jennings, special corespondent, was sent while that writer was held in custody by the Mexican police. This is the first time that any correspondent has sent his report while under arrest.

The first news of Mr. Jennings' dilemma reached here in the following diagratch.

The direction of the Frawlely legislative committee, until these names were brought out before the committee.

The governor admits he did apply certain campaign contributions to his personal use, but adds that he made the amount good. He also admits having transactions with the stock brokerage firm of Harris & Harris, but insists that his account with this firm was not speculative and consisted of a loan on stock and collateral. He denies that he ever speculated in Wall street.

speculated in Wall street.

Aug. 10 -- Death, de Phialdelphia, vastation and tremendous property loss is left in the wake of the worst storm in years, which struck Philadelphia and the surrounding country at 4 o'clock this afternoon. Accompan-ied by a sixty-mile wind, great black and large hallstones, everything frail or weak fell in the path

of the gust. The worst accident reported was in Fairmount park, where a band pavili-on near George's hall collapsed, catching at least 200 persons in the ruins. They had taken refuge from the storm in the pavilion. A baby is dead storm in the pavillon. A baby is dead and fifteen injured persons are in the local hospitals. More than 100 in-jured managed to drag themselves to their homes. Only the fact that the pavillon was of light construction, without any real heavy joists, prevented a terrible catastrophe.

Killed by Falling Tree.
Agnes Murphy, 22 years old, was killed at City Line by a falling tree.

under which she took refuge. James McNamee, 11 months old was killed by a falling tree at Forty eighth street and Lancaster avenue. Patrick McNamee, the baby's father.

vas injured Several other deaths were reported

but not verified. Mattle L. Greiner was drowned at Port Richmond. Her male compant-ons were endeavoring to get ashore when the gust seemed to lift the woman bodily from the boat. Her body has not been recovered.

At the height of the storm a large sightseeing automobile carrying a crowd of picknickers was being pushed to its utmost to get the gay merrymakers under cover. The wind blew the flowing necktle of the driver

into his face. He lost control for an instant, and the big machine was thrown into a tree. Seven of the occupants were injured.
Street Laid Waste. The entire length of Market street laid waste. Large trees that have

withstood the storms of years are stretched across the streets. In all parts of the city trolley service is either tied up absolutely or delayed for hours. Telephone and telegraph poles are down on all sides.

Large plate glass windows in the downtown stores were smarked like.

the demonstration in Mexico City to-day Mr. Jennings says:
"Am detained. Cannot do better." in the neighborhood of Forty-seventh day Mr. Jennings says:

In some countles the corn is being cut by the farmers for metery. The body may be viewed the undertaking parlors of Graham all will be raised in those sections.

WARLIKE VIEW IS TAKEN BY EDITOR

New York, Aug. 10.—"Sconer or later United States troops must go into Mexico to bring order out of inadmissible, but of course an atdisorder. Mexico can only be assured of a stable government by the methods we pursued in Cuba. Those who are acquainted with the situation and who understand the character of Governor Lind are inclined to doubt his ability to adapt himself to the intricacies of Mexican politics. Mr. Lind, being a plainspoken, straightforward cacles of Mexican politics. Mr. Lind, being a plainspoken, straightforward man, is not well equipped for the work in Mexico."

Such are the words used editorially in the current issue of the Army and Navy Journal in commenting on President Wilson's policy in dealing with the Mexican situation. Under the caption, "Meddling in Mexican Affairs," the editorial refers to Pres-ident Wilson's mediation proposal as a "plan conceived in the counsels of Utopia," and adds that "it will

only delay forcible intervention.
"It is to be hoped," the editorial continues, "that the mission of Lind will have some other object than the suggestion of mediation for this would be the most offensive kind of Washington, Aug. 10.—The anti-meddling with Mexican affairs. The suffragists have renamed themselves. United States has a right to send an United States has a right to send an armed force into Mexico to protect its menaced conditions, but short of this it has no right to interfere with Fred A. Richardson, a machinist. Life savers were still searching for the the internal administration of the

The editorial continues

"The Mexicans have carried off so well, thus far, their policy of bluffing cially stated. Mr. Lind is to go to Mexico for the purpose of getting to do man's work as well as her own less a terrible waste."

Mexico for the purpose of getting President Huerta out of the way it would be strange, indeed, if that gentleman did not resent the coming of President Wilson's representative.

CAUCUS TO TAKE UP

THE CURRENCY BILL Washington, Aug. 10 -The house Democratic "round up" for support of the Glass-Owen currency bill will begin with the Democratic caucus tomorrow. Insurgents are to be allowed to argue themselves into line or bend to the will of the majority expressed in a binding resolution of support. Opposition to the bill will be led by Representative Eagle of Texas, Neeley of Kansas, Ragsdale of South Carolina and Wingo of Arkansas, members of the committee, who will have the support of Chairman Henry, rules committee, Chairman Clay-ton, judiciary committee, Heflin of committee, Heflin of

Alabama and others.

The sharpest fight will center about the Ragsdale-Henry proposal to in-corporate in the bill legislation for an agricultural currency, including note Issues on cotton, corn and wheat warehouse certificates as security. A special industrial currency also is proposed which contemplates creation of a government fund for loans to states and municipalities for public improvements This proposition was

rejected by the committee Representative Bulkley of Ohio will force a vote on his amendment auchange of mind, Gaynor will be the thorizing banks to organize and operate savings and trust departments. to give vent to their financial views.
